

OBSERVATION/Reflections

30. 8. 12

Parent Teacher Meetings.

- has both parents present.
- refer to recent testing results, then allows for the parents to chat (usually they try to justify or defend him/herself).
- Be empathetic, actively listen

Active: Make sure he gets lots of praise - especially for making good choices when he moved away from other boys like Diin. (Chas)

Steve suggested that sometimes he reacting to audio

Referrals - takes about 4-5 months to organize.
will type the student as a Visual learner.
(ie. responds best to pictures, kinetic, listening or reading)

31-8-12

Steve managed this meeting between the parents and student by showing really positive listening skills and concern for their perspective. he showed:

- empathy, active listening, consideration
though I also got his point across that the student might need specialist intervention.
